## A Letter from the Pastor

Dear Sisters and Brothers,

“I give thanks to God always for you, constantly holding you in my prayers, remembering your work of faith, your labor of love, and your steadfast hope in our Lord Jesus Christ.” These are the words of Paul in the first century to the early Followers of the Way in Thessalonica, Greece

They could just as easily be my words to you, Christians in the 21st century in our little corner of the world. That is to say, when I think of you, my heart is glad and my soul rejoices. Truly.

How we have missed each other over the past 16 months! We are still coming to terms with what has happened to us – and is still happening to millions around the world and at home – in this pandemic. One insight that has been deepened and that will remain with me always is that we need each other. Emotionally, intellectually, spiritually, and physically. Thank God for telephones, computers, cell technology, platforms like Zoom, and live streaming! These have all helped us stay connected – sort of.

As wonderful as our “virtual” life has been, nothing beats gathering together in person! Read the Book of Acts. The believers in Jesus “were all together in one place.” Paul wrote his letters primarily to communities, not individuals. They would gather in each other’s homes to hear his letters. They “shared all things in common.” They took care of each other. They ate together. They prayed together. They were physically present to each other.

Thanks be to God and to scientists, public health and government officials, and you, the people who took basic public health measures, we can safely gather together again! “Things will never be the same, nor should they be,” is one phrase you hear a lot during this time of transition. I agree this time is a rich opportunity to envision new ways of living together as the “Beloved Community.”

But one thing will remain the same: the joy of being together! I cannot wait to join you – physically – in a joyful summer of worship!

To repeat what I said earlier, “When I think of you, my heart is glad and my soul rejoices!” So true.

Grace and peace,

## CHOIR

*All are welcome to join us as we resume choir at First Church!*

This is an exciting time after over a year of hiatus. Whether you've been a part of the Chancel Choir in the past, or not, please use this short-term commitment as a chance to try it out, see what it's like to work with me, and just be in community and make music together!

Even if you don't have time or the inclination to sing each Sunday of the program year, there's a place for you here. Rehearsal will make productive and enjoyable use of your precious time, that we will grow, and have fun doing it!

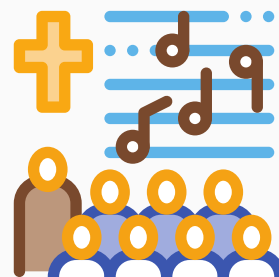

We plan to sing for 10:15 worship  
in Wakeman Hall:

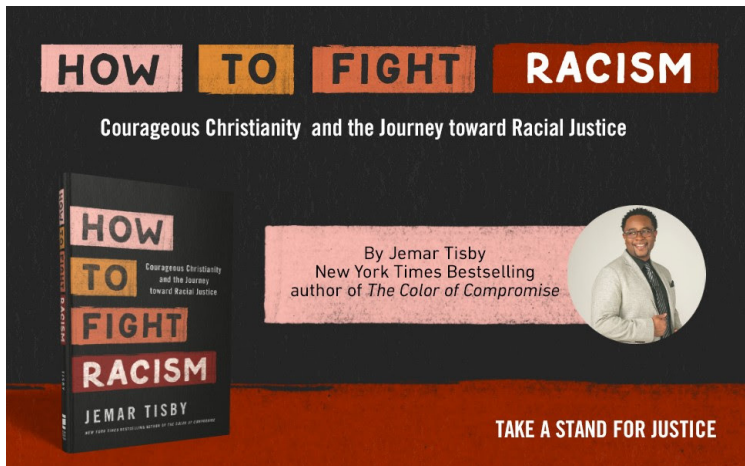

July 11

August 25

Rehearsal 9:15 AM on Sunday Mornings

Please contact Frank to join in the singing-

Hello Middle Roaders,

It is hard to believe that we are at the end of our Middle Road gatherings!

It has been a challenging and different year for sure, but through it all, your flexibility and willing spirit have amazed us! We were able to meet in person more times than we met on Zoom. Wow! A testament to your ability to adapt! Despite some cold and very windy Sundays, you showed up and were open to whatever was planned. As a group, we were able to make 12 bountiful "Move-In" Baskets for Operation Hope, raised money for the Simply Smiles Children's Home, learned about some incredible people advocating for justice and peace, and ran many laps around the church on scavenger hunt adventures! Melissa and I can't thank you enough. You made it fun!

Each and every one of you contributed something unique to our group. As leaders, you helped us to grow, and we hope you learned something new along the way too. Most importantly, we hope you enjoyed yourself and will continue to desire to grow in your faith with your Middle Road friends next year.

To the dedicated parents, thank you for driving your Middle Roaders to church so that we could share in this time together. It is truly appreciated and not possible without your commitment, too.

Thank you for a wonderful experience and wishing you all a relaxing summer!

Wendy and Melissa

# TAKE NOTE

Hello Church Friends,

It was such a pleasure to see many of you at the All Church Meeting. It has been a busy year, and I look forward to an exciting year ahead. A highlight of the All Church Meeting was the unanimous vote approving the co-pastorate between David and Vanessa. This is a congregational validation and endorsement of equally shared leadership, and an opportunity for all of us to view Vanessa in an expanded light. Vanessa is truly called to serve God through church ministry, and we are thankful that her ministry continues to grow right here at First Church.

While beach services are just around the corner, there is still much to be done before fall. Council is meeting (in person!) at the end of the month, and many Boards will be working over the summer. The Facilities Board continues to work on the safest way to bring back worship in the sanctuary. The Personnel Board will be meeting with the Interim Pastor Search Committee to prepare for our process of discernment this fall. We will plan to host cottage meetings in September/October to give the congregation the opportunity to share their visions on who we are as a church and how we feel the Holy Spirit is calling us to best serve. With this congregational feedback, we will determine how we will call our pastoral leadership after David's retirement.

As always, please feel free to reach out to me at [jmuschett@optonline.net](mailto:jmuschett@optonline.net). Thank you.

God's peace to you.
